BOOK SYNOPSIS

Caring for your aging parent can feel overwhelming, from the emotional crisis of sudden illness to the legal crisis of sudden guardianship. A common wish is to be able to provide the same level of love and support to our parents as they so generously offered to us as children. Understanding the potential stress on your finances and savings, and knowing how to cope financially, can help ease this confusing life change. Lise Andreana is a frequent guest speaker at financial conferences and a go-to source for financial reporters nationally. She is relied upon for her 18 years of financial planning expertise combined with her unique designation as a Certified Professional Consultant on Aging. This, her latest financial planning title, covers the key decisions that every adult child of an aging parent must make in order to provide loving support to the people who matter the most.
